SMELTER TECHNOLOGY

The Bathco Group is a global leader in raw materials and green metal trading, striving to promote a sustainable aluminum production. We are devoted to sourcing renewable materials, foster upcycling, and leading in green metal marketing. Join us and propel our mission to harmonize base metals trade with eco-conscious practices, making a tangible global impact.

Being a modern, fast-paced company, we are looking for new talents with a strong entrepreneurial spirit who wants to move forward together with us. Become part of our team and join our company in Zurich, Switzerland for our:

GRADUATE DEVELOPMENT PROGRAM

About the Graduate Program:

Thanks to the opportunity to rotate between departments, our graduate development program with the Green Metal Division has direct exposure to our core trading business, in areas such as Traffic, Treasury/Risk, LME Desk.

By working alongside and receiving on the job training from experts in their areas, paired with close interactions with traders, you will have the opportunity to learn skills and competencies vital to building a successful career in global commodities or become a commodity trader.

Skills and Experience you bring along:

- A genuine interest in commodities trading
- Entrepreneurial mind-set
- Self-driven
- Excellent communication skills, both internally and externally
- Goal-oriented and dedicated personality
- Ability to identify opportunities and transforming them into results
- High ability for networked thinking
- Excellent English skills is a must, any other language is an advantage
- Very good IT skills, especially Excel

What we offer:

- Innovative and fast-paced work environment
- An entrepreneurial culture offering multiple opportunities for learning and development
- A high degree of autonomy
- An international team, modern office infrastructure, and the possibility of flexible working

Looking for the **most talented professionals**, the Bathco Group is proud to be an **equal opportunities employer**. Our commitment is to provide you with the best possible recruitment experience and a neutral assessment of your CV and application. Your skill set, education, and experience are what we focus on. We therefore kindly ask you to support us on this matter by refraining from including any personal details (such as picture, gender, marital status, etc.) on your CV or motivation letter. Please submit your application documents here:
